Thanks Corinna for inviting people to the meeting to talk about the potential for the rest stop idea! Barney Fleming, from the Northwest ADA Center, and Ryan Warner, from the Washington State Department of Transportation and maybe an additional person are planning on coming. Please bring your ideas and questions. Thanks again Corinna!!

## A Note from the Chair

August 2012

Hello!

I hope everybody is enjoying their summer! We are gearing up to work on our legislative agenda at the next meeting! We are going to have several guest speakers who can hopefully shed some light onto the rest area restroom accessibility. If you think of any questions please don't hesitate to bring them. See you on September 11th!

Sincerely,

Corinna Fale, Chair of SAIL

# VOTE!

# VOTE!

Remember this November is a critical election! It is very important that everyone comes out to make your voice heard by voting! Now is the time to make sure you are registered and will get you ballot in the mail!

Ever wondered how some of the Candidates might respond to questions you might ask them? The Arc of Washington put together a survey that might give you an idea of their perspectives as they try to be elected to the legislature.

Those surveys can be found by going to: [www.arcwa.org](http://www.arcwa.org) At the bottom there is the heading, **Candidates for Washington State**. You will find the surveys under that heading listed by district number. This is a great way to learn what is important to the candidates! Their responses might help you make informed choices when you vote!

**Remember We are Meeting at the La Quinta Now!**

**There are some people that are planning on coming back to the meeting in September! This is a friendly reminder that we are currently meeting at the La Quinta in SeaTac. See you there!**
